

History Center Status:

Things change rapidly. First we were closed down, then able to reopen for a few days, then closed down again when the Corona-19 virus fired back up in the Sacramento area. It does not seem likely things will improve in the foreseeable future. We will continue to follow the State and local mandates as they emerge. In the meantime:

The officers of the Fair Oaks Historical Society are committed to carrying out the stated purpose of the Society; to locate, preserve and make available to the public information and materials important to Fair Oaks history. To the extent possible, we will put historical materials on our website ([here](#)) and conduct discussions on our Facebook page.

The [Fair Oaks History Center](http://www.fairoakshistory.org/center/) at 10340 Fair Oaks Blvd. is closed until further notice. We will be available for curbside pickup of any materials purchased on-line.

If you have a need to look up historical information or discuss historical matters, e-mail the webmaster (webhost@fairoakshistory.org) and we will make special arrangements to assist you.

Because of the limits on gatherings due to Corona-19 and reconstruction of the Community Clubhouse, the quarterly meeting-pot lucks and Soup Night are cancelled until further notice. We will send out the regular quarterly newsletter with more information as things develop.
